“LUCKY 4 Tote” Rules of Play

Predict the 4 numbers (by crossing with a pen) that will be drawn out of the weekly draw, this will take place every Thursday night at Abergavenny R.F.C. Club House. Please indicate which Thursday draw you want to enter by putting date of draw on Ticket Face.

The correct guess could win up to 50% of the total fund of the Tote.

If no winner in any one week, then the prize fund will be added to the fund for the following week, and so on until there is a jackpot claim.

All monies and tote tickets **MUST** be submitted by **THURSDAY 7.30pm** to be entered into the draw that week. **The draw will take place at 8.00pm.**

The promoters will not be held responsible for late entries.

All proceeds above and beyond expenses and prizes will be donated to Abergavenny R.F.C.

Prizes unclaimed after 3 months will be donated to Abergavenny R.F.C.

The maximum Jackpot prize money has been capped at £25,000, as required by Schedule 11Part 4 of the Gambling Act 2005. The committee has decided that if the amount of money taken exceeds the figure of £25,000 then the extra money (50% of the weeks takings) will be put aside into a separate pot.

This will then be added to the Jackpot prize money for the next draw, which will take place the week after the current draw is won.

The new Jackpot prize will be clearly shown on the weekly result sheets which are posted on the club notice boards and online at: www.Abergavennyrfc.com
